

Dear Incoming 3<sup>rd</sup> Graders and Families,

Congratulations on completing the second grade! Next year, you will be in room 211. On the back of this note is a tentative supply list for third grade. There may be a few items added to the list in September but this will be a great start.

Summer is an excellent time to read for enjoyment. It is important to take advantage of free time this summer to read and work on your math skills. This will help give you a head start for third grade!

Have a great summer and I will see you in September!

Sincerely,  
Ms. Duggan

## School Supply List for Ms. Duggan's Class

- ❖ Backpack
- ❖ Two (2) packs of loose leaf paper (one (1) for school and one (1) for home)
- ❖ Five (5) folders (Red, Blue, Green, Yellow, Purple) (\*\*we will label folders in school together)
- ❖ Five (5) hardcover Composition Books (\*\*we will label composition books in school together)
- ❖ One (1) pencil case or pencil box
- ❖ Sharpened pencils with erasers (needed every day, all year)
- ❖ One (1) pocket dictionary to remain at school
- ❖ Two (2) reams of computer/copy paper
- ❖ One (1) set of headphones
- ❖ One (1) box of crayons OR colored pencils
- ❖ One (1) pack of whiteboard markers
- ❖ Two (2) boxes of Tissues
- ❖ One (1) box of disinfecting wipes
- ❖ One (1) roll of paper towels

You will also want to keep extra supplies at home so that your child will be able to properly complete their homework. I recommend keeping the following in a pencil case/box at home:

- ❖ One additional package of pencils
- ❖ One sharpener
- ❖ One box of crayons/colored pencils

### REMINDERS

\*\*Please label all school supplies in permanent marker.

\*\*Supplies will probably need to be replaced and/or replenished in and around January.

If you are able and interested in donating, we could use:

Hand sanitizer, construction paper, markers, crayons, colored pencils, glue, highlighters, tape, whiteboard markers

THANK YOU & ENJOY YOUR SUMMER!!!!!!

Dear incoming 3<sup>rd</sup> graders,  
Congratulations on completing the second grade! I look forward to being your third grade teacher.

It is important to enjoy your summer but to also practice your academics, in order to get off to a strong start in 3<sup>rd</sup> grade. Below is a list of ways to continue learning over the summer.

1. Read- every day for at least 15-20 minutes. You should be reading chapter books at your reading level.
2. Writing- free write on a daily basis. Remember how important it is to elaborate on your ideas. Think about who, what, when, where, why, and how, when you are writing. Also remember similes and metaphors add great detail!
3. Math - practice your addition, subtraction, and multiplication. Have an adult create a few problems for you each day!
4. Computer- if you have access to a computer, continue to play educational games, such as: [abcya.com](http://abcya.com), [hoodamath.com](http://hoodamath.com), [freerice.com](http://freerice.com), [khanacademy.org](http://khanacademy.org), [pbs.org](http://pbs.org), [funbrain.com](http://funbrain.com), [kids.usa.gov](http://kids.usa.gov), [ducksters.com](http://ducksters.com)
5. Worksheets- if you have access to a computer and want additional worksheets, there are many FREE websites, such as: [readworks.org](http://readworks.org), [k5learning.com](http://k5learning.com), [math-aids.com](http://math-aids.com), [k12reader.com](http://k12reader.com)

Have a wonderful summer!!

Sincerely,  
Ms. Duggan
